

Helping You HELP MORE PATIENTS

Vivos is proud to partner with Alphaeon Credit. Since 2014, ALPHAENON CREDIT's patient financing program with a revolving line of credit, has been the trusted solution for plastic surgeons, dermatologists, and ophthalmologists. Now this program is available for dentists, too. In partnership with Comenity Capital Bank, ALPHAENON CREDIT can help you help more patients with superior credit limits, strong approval rates, and a wide array of payment plans with stress-free-service to fit any patient's budget.

The ALPHAENON ADVANTAGE

SUPERIOR CREDIT LIMITS

so patients can finance the full cost of their treatment easily and reuse their line of credit for additional services at your practice

STRONGER APPROVAL RATES

so more patients can move forward with the treatment you recommend and they want

STRESS-FREE SERVICE

with less paperwork, same -day applications and transactions for patients, and an exceptional support team where you can speak immediately to a real person anytime
